Reference: Celine Anou – French Tutor

To whom it may concern,

It is a pleasure to write this letter of recommendation for Celine who has been tutoring my three sons (two 15 yr olds & an 8 yr old) since September, 2017.

Always very amiable and courteous, Celine has a great rapport with my children who are excelling in their school French studies; my teenage sons consistently achieve an A grade or above in their exams, and my youngest boy is one of the top performing students in his French group.

The success that my children have achieved is largely due to Celine's method and style of teaching: she is always meticulously organised, enthusiastic and patient. She keeps the boys focused and engaged throughout the lessons by incorporating a broad range of activities, games and exercises that target all four skills of language learning. In addition, Celine has a thorough understanding of the Edexcel IGCSE French syllabus, knows the format of the individual exam components and knows which grammatical structures need to be mastered in order to achieve an A*. My sons will sit the IGCSE exam this coming Spring and I am confident, that with her support, they will do superbly well.

My children and I very much look forward to future lessons with Celine and I would highly recommend her to anyone in need of a French tutor.
